**Re: State Commanders Ride 2009**

My thanks to Allen Freeman and Unit 14 of Harker Hights for hosting the 2009 VFWMG State Commanders Ride. It was well planned and carried out. The route was interesting and scenic. The stops were courteous and the Dart Game was different. The Unit did a very good job of hosting this from the Meat Loaf Dinner on Friday night to the finish on Saturday. Thanks also to all the Units who braved the chances in the weather to participate. It was fun and we made a nice donation to the Military Assistance Program.

I am looking forward to the next ride and hope to see yall there.

Thanks Again

Dennis (Moose) Montgomery
